

## Lacerte Webcasts & Teleseminars

We understand that making a change in your practice's software is a big decision. The first step in your process is to learn as much as you can about your options to make sure the solution you choose meets the needs of your practice.

To help in your search we offer FREE TRAINING seminars that familiarize you with the Lacerte 1040 tax program. In these training sessions you will be introduced to:

- Program Navigation
- Client Management
- Date Input
- Diagnostics & Error Checking
- Printing and reporting
- Other time saving functions and features

### Evaluating Lacerte Webcasts

A Webcast is a training experience where you will watch a program specialist show you how Lacerte tax software is:

- DESIGNED to be more PRODUCTIVE
- COMPREHENSIVE- PREPARE virtually any tax return REGARDLESS of COMPLEXITY
- Easy to USE, Easy to LEARN and TRANSITION to

Come see why firms DEPEND on Lacerte to maximize their PRODUCTIVITY and make the tax WORK they do EASIER.

A separate phone line and High-speed internet access are recommended for Webcast sessions.

### Evaluating Lacerte Teleseminars

A teleseminar offers hands-on training and will demonstrate the same high efficiency features as the Webcast. The only difference is you can follow along as our presenter guides you through the basics of data entry in Lacerte as well as practice management and productivity features that make Lacerte the first name in tax software.

**To register for an Evaluating Lacerte Teleseminar, please call 1-800-945-2820 or [register online](#).**

For Teleseminars it's critical that you have an evaluation copy of Lacerte tax software already installed on your computer prior to attending your scheduled presentation.

CPE is not offered for these events.
